

Name: Xia ZHOU

Professional:

Doctoral Supervisor

Director of Xinjiang Astronomical Observatory, CAS

Education:

2006-2009	Central China Normal University	Ph.D.
2003-2006	Central China Normal University	M.S.
1999-2003	Central China Normal University	B.S.

Contact:

E-mail: zhouxia@xao.ac.cn

Postal Address: 150 Science 1-Street, Urumqi, Xinjiang 830011, China

Research Interests:

Pulsar, Neutron Star, Equation of state, Gravitational wave, FRB

Selected Publications:

1. **Xia Zhou***, Abdusattar Kurban, Wen-Tong Liu, Na Wang, Ya-Jing Yuan, *Nature of Ultralong Period Radio Transients: Could They Be Strange Dwarf Pulsars?* 2025, ApJ, 986, 98.
2. **Xia Zhou***, Hai-Tao Huang, Quan Chen, Xiao-Ping Zheng, *Formation of long-period radio pulsars*, 2024, MNRAS, 530, 1636.
3. Yu-Bin Wang , **Xia Zhou***, Abdusattar Kurban, Fa-Yin Wang, *Bounding the Photon Mass with Ultrawide Bandwidth Pulsar Timing Data and Dedispersed Pulses of Fast Radio Bursts*, 2024, ApJ , 965, 38.
4. Yu-Bin Wang, Abdusattar Kurban, **Xia Zhou***, Yun-Wei Yu, Na Wang, *Statistical properties and lensing effect on the repeating fast radio burst FRB 180916.J0158+65*, 2023, MNRAS, 524, 569.
5. Hai-tao Huang, **Xia Zhou***, Jian-ping Yuan, Xiao-Ping Zheng, *Timing and evolution of PSR B0950+08*, 2022, MNRAS, 512, 4689.
